

## Travel Policy

**Last Reviewed:- Summer 2023**

**Next review: Summer 2026**

**Amendments: None**

**Appendices: None**

We actively encourage our pupils and staff to walk, scoot or cycle to school as this can:

- help keep us fit and healthy

- help our pupils develop road safety skills which will keep them safe as they travel further afield and more independently
- help keep our local air clean, and our streets free from congestion
- help develop life skills that everyone should be able to benefit from

### What we do

- We use Modeshift STARS to update and monitor our school travel plan
- We promote safe and active travel as much as possible by using our noticeboard, displays, newsletter and website at <https://www.bedgroveinfantschool.co.uk/>
- We encourage all members of our school community to walk, cycle or travel by public transport for the journey to school. To support this we provide:
  - Pedestrian training
  - Road Safety activities
  - Public transport information
- Local school trips are made on foot, if the destination is close by.
- We let all new pupils and their parents/carers know that we promote healthy and sustainable travel to school before the child starts at our school.

### What we ask of parents.

- Please encourage your child(ren) to walk, scoot or cycle to school whenever possible
- Ensure your child(ren) walk or ride sensibly and safely on the way to and from school, and to push bikes and scooters on school grounds
- Ensure that bicycles and scooters are roadworthy and properly maintained. If in doubt consult a qualified mechanic
- Consider providing your child(ren) with a cycle helmet
- Ensure your child(ren) can be seen by fitting lights to their bike by supplying them with high-visibility clothing
- If you travel by bus, can you get off the bus at least two stops early and walk the last part of the journey?

We understand that sometimes there is no alternative to driving to school.

- Where a car must be used we ask parents to drive only part of the way, and drop their child(ren) off away from the school so that some of the journey can be walked or scooted
  - We have a 5 / 10 minute walk zone we ask parents to look at and see where they can park safely and walk from. See below:

- If you do have to drive your child(ren) and stop in the near vicinity please do so legally, safely and with respect for our neighbours and local residents
  - It is not acceptable to park or wait on double yellow lines, on the school zigzags or across residential driveways for any period of time.

Please note that the decision on whether a child is competent to cycle or scoot to school is for the parent(s) or carer(s) to make. The school has no liability for any consequences arising from this decision.

### What we ask of pupils

- Ask your parents if you can walk, scoot or cycle to school
- Behave in a way that shows you and the school in the best light whether walking, scooting, cycling or using public transport
- Ride or walk courteously, sensibly and safely on the way to and from school
- Push bikes and scooters on school grounds
- Check that your bike or scooter is roadworthy and properly maintained
- Consider wearing a cycle helmet
- Make sure you can be seen by using lights in the dark or bad weather and by wearing high-visibility clothing
