Payments via Childcare vouchers are accepted for Nursery fees and Wraparound charges.

Additional Services and Contributions

Consumables Package

To help us continue providing high-quality care without requiring families to send in multiple items each day, we offer a **Consumables Package** for just **£0.55 per session**.

This small contribution helps cover a wide range of everyday items and experiences that support your child's comfort, wellbeing and learning, including:

- Healthy snacks (e.g. fruit, crackers, etc.)
- Nappies and baby wipes
- Sun cream
- Ingredients and supplies for cooking and food-based activities
- Sensory play materials (e.g. playdough)
- Outdoor learning and seasonal activity supplies
- Cultural and celebration events throughout the year, including themed days and POW Days
- Contributions towards the cost of external visits and experiences (e.g. farm visits)

You may **opt out of this package at the start of each half-term**. If you choose to do so, we kindly ask that you provide these items yourself each day. You are welcome to **opt back in at any time**—please notify the office if you wish to do so.

This system ensures that all children have consistent access to the items and experiences they need, without delays or interruptions to their learning, play, and care.

Voluntary Contribution

To help maintain the highest quality of care and education, families are invited to make a **voluntary contribution, suggested £35 per term**.

While this contribution is entirely optional, it does play an important role in supporting the nursery's overall provision and helping us to maintain the quality and range of experiences we offer to all children. The hourly rate we receive is fixed and is intended to cover only a basic Early Years Foundation Stage (EYFS) provision that meets statutory requirements. However, this funding does not cover many of the elements that families typically value as part of a rich and engaging early years experience. **This contribution is optional and greatly appreciated**.

Your voluntary contributions make a real difference to the learning, development, and wellbeing of every child in our care. Here are some examples of how these funds are used:

- Replacing and enhancing toys, puzzles, role-play items and sensory resources
- Purchasing high-quality construction, fine motor and outdoor play equipment
- Funding special visitors and supporting themed days
- Providing calming spaces, story corners and sensory tools to support emotional development
- Supporting mindfulness and social-emotional learning activities
- Supplying a wide range of art and messy play materials
- Maintaining and developing safe, engaging outdoor environments
- Adding new natural and physical resources
- Enabling staff to access specialist Early Years training
- Supporting lower adult-to-child ratios for more focused attention and care
- Funding celebration days, seasonal crafts, and gifts for events like Christmas, Diwali or end-of-term celebrations
- Supporting community-building activities such as shared lunches or stay-and-play events

Terms and Conditions: Fees are payable for all sessions booked, regardless of attendance inc. absence due to sickness or holiday taken in term time. Refunds will only be given if the session is cancelled by the school. A full term's notice must given if you no longer require the place, wish to withdraw your child or reduce sessions. 30 hour funding codes must be valid or full fees will be charged. Prices are reviewed annually. Continuous hours may be explored but are not guaranteed. Requests will only be considered at the discretion of the Nursery Manager and are subject to operational requirements and staff availability. You may opt out of the consumables package at the start of the half term.
